

Message 02

The word “sup” means to be involved in intimate fellowship and communion with Him. Fullness of joy and pleasures forevermore simply means total victory. God said, “New waves of glory are on the horizon and they will continue to intensify as My people ask for it, hunger for it and expect it. The Earth will be filled with the knowledge of My glory, this you can be assured of, for the mouth of the Lord has spoken it. Continue to cry out, ‘Show me Your glory,’ and I will not disappoint you.” Shun the very appearance of evil. Keep this principle in your life, you will have longevity and God will use you to touch many lives. Sin will prevent you from experiencing the greater glory. Going to the next level requires starting with basics: get rid of sin. Sinners will see God’s glory and they’ll be drawn to it. They may not understand the manifested presence of God; they may not understand the manifested power of God, but even a sinner knows goodness. God is good and He doeth good.

I SAY:

Show me Your Glory, Lord! Show me Your manifested presence! Show me Your manifested power! Show me Your manifested goodness!
Without Your presence, I cannot accomplish my God-given mission.
Your manifested presence is vital to me and I am not taking another step without it.
I'm going to pursue God’s glory with everything that is in me.
I continue steadfastly in prayer.
I am resolute and firm in purpose.
This is how I see greater manifestations of Your glory.

We need to be the generation of believers that demonstrates a desperation for God's presence like no other generation before. Desperation is required for us to be used by God to bring His presence into the Earth. Revival or a mighty outpouring of the Holy Ghost is a profound encounter with God that requires disciplined preparation. We need to hunger, pray and expect it. We need to go beyond what we’ve ever been willing to do before. This is not Church as usual. To see God’s glory will require more time with Him, a willingness to set some things aside and quality decisions. Don’t be distracted and don't let anybody interfere with your God-decisions. If you want to see God’s glory come down, you’ll have to set time aside, uninterrupted, just you and God. Do not allow distractions that can come from human demands. There are some things that we will not be able to accomplish without the manifestation of the presence of God in our lives. God will honour our desire. He’s not looking for ways to withhold, He is waiting for the opportunity to release. He is more interested in releasing His glory than most Christians are in experiencing His glory. Desperate people will not be satisfied, they’ll want to see His glory every day. Find the time to press into God. Give Him your time. Don’t blame God if you don’t give Him time and you find yourself in a mess. It's not His fault. To think we are going to have a mighty move of God without prayer is foolish. To think that we’re going to have a mighty move of God without a hunger for it is foolish. To think we’re going to have a mighty move of God without expecting it is foolish. That’s what the early church did. God is knocking, but is anyone hearing? If they’re hearing, are they opening the door? Are they inviting Him in? Are they allowing Him to have intimate fellowship and communion with Him?

Revelation 3:20 KJV

Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

INTIMATE

FELLOWSHIP

I SAY:

You knock and I open.

I desire to sup with and have intimate fellowship with and commune with God.

I draw near to You and You draw near to me.

Soul - you are going to seek God today.

You are going to fellowship intimately with God today.

I take authority over my mind, my will and my emotions!

God, You are my God and early will I seek You.

It is a priority in my life to start my day pursuing You.

The degree of God's manifested presence in my life hinges on my hunger level for it. I am hungrier than others. I am starving for the presence of God in my life.

I want to see a mighty move of God, a great revival in me and in the Church!

I am a spiritual person.

I'm ready to go to another level with God because there is always room for more. I am ready for more.

I am creating the climate for heaven to come down to Earth through my hunger, prayer and expectation.

We need to have the desire to dwell in the House of the Lord forever. The House of the Lord represents being in the presence of God. This thing we should desire above everything else, to see God's glory is to dwell in the House of the Lord.

What you truly desire, you will pursue and what you truly pursue, you will obtain. We should be insistent, persistent, never ceasing, relentless, determined, and unyielding for the glory of God!

Neither Satan, nor any of his cohorts, can stand in the manifested presence of God. When you experience the manifested presence of God, every assignment from the enemy on your life will be broken and all plots and schemes will be brought to nothingness.

Psalms 16:11 NKJV

In your presence there is fullness of joy; at the right hand are pleasures for evermore.

I SAY:

I expect the miracles, signs, wonders, and manifestations of the glory of God to come on the wings of my dedicated prayer.

Every mountain in my life melts in God's manifested presence (Psalms 97:5).

I am expecting a great refreshing and new spiritual vitality that will cause me to become more sensitive to the Holy Spirit (Acts 3:19).

I need the presence of God in my life more than I have ever before. God will oblige me in doing it because I seek it, I hunger for it, and I expect it. He's willing and He's ready.
