SCRIPTURES: READ and **HIGHLIGHT** them in your BIBLE

What is God's Glory?

READ: Exodus 33:18 (KJV). And Moses said, I beseech thee, Show me Your Glory. **Beseech means: Implore** (beg), ask with **urgency** (determination and insistently), to request earnestly (sincerely, deeply, strongly), hunger, a desperate (eager) plea (request / petition). God is wanting to show us His glory like we have never experienced it before. The glory is on us right now. We are going to experience it like never before. We are heading for the days of greater glory. **READ: Exodus 33.** God's glory is His manifested presence, His manifested power and His manifested goodness. **Manifested means:** God is going to reveal or show you His presence, His power and His goodness.

I SAY

I praise You, Lord, right now before I see anything happening. I keep this on my lips and in my prayers **every single day**, "Show me Your glory, Lord, I believe and receive it for this day". It's Your greatest longing (supreme desire) to show me Your glory. I expect to see Your glory on my finances and in my harvests in Jesus' Name!

What is Needed to See God's Glory?

READ: Matthew 5:6 (NKJV). **HUNGER** is a needed to see God's glory. If you don't hunger for God's glory you won't see it. When you hunger for it, God will not let you down. Every major move of God on this planet took place because of HUNGER. **Hunger means: A craving, an urgent need** for, an **eager desire**, you **want it very much, appetite, thirst, longing, ache**. If we hunger and thirst, we will be filled. Challenge yourself to get as hungry as you've ever been. God wants to move but He can't go against His own Word. We need to hunger for it. He is not going to make things happen if we don't want them to happen.

PRAYER - God does nothing in the earth until somebody prays and shows hunger. If the whole church would start hungering for the glory, praying for the glory and believing for the glory, there would be miracles in every service.

I SAY

I am the hungriest person on the planet. I want God's power, anointing and the moving of His Spirit in my life. I hunger for God's glory and I will not stop until it happens. I am going to see greater manifestations of the glory of God. I will be that person that hungers. I beseech God for His glory! I am desperate for His glory! I hunger for His glory! I sense the urgency for God to show me His glory!

I Need to be Desperate

Desperate people do things normal human beings are not willing to do. We need to be willing to lay everything that we have planned aside and just let the Holy Spirit take charge. For God's anointing to flow, everything needs to be able to change at any moment. We need to give God our everything so He can give us His everything. We are happy with not having one church service being the same.

I SAY

I am desperate for God's glory. I do things other people are not willing to do. I ask You, Holy Spirit to show me what You want me to do. I go distances other people are not willing to go. I do not limit God's glory to my schedule. I trust in Him. I believe God wants to show me His glory. He is able to show me His glory and He will honour my faith and show me His glory.

3 Things Needed to See God's Glory

Number 1 = **Hunger** - God will honour your hunger. When you pray, believe you receive.

READ: Matthew 8:13 (NKJV).

GLORY

An illustration within a red border showing three scenes: on the left, hands clasped in prayer; in the center, a bottle of water with the word 'TRUTH' written on it; on the right, a hand holding a bottle of water.

Number 2 = **Prayer** - Prayer is vital. It welcomes the presence of God and His glory. We need to do whatever is necessary in prayer to show God He is welcome here.

READ: James 4:2 (NKJV). Asking is prayer.

Number 3 = **Believe** - If you will believe that God will honour your request, you will see His glory.

READ: John 11:40 (NKJV).

I SAY

I hunger. I pray. I believe. I believe God is able to and wants to show me His glory.

One Way that God can Show me His Glory

READ: Haggai 2:7-9 (NKJV). One of the manifestations of God's glory is wealth transfer. God said, "I'm going to shake the wealth loose because it is Mine." We are going to see more wealth transfers than we have ever seen before. The God of the breakthrough wants to visit our house. The depth of my praise will determine the magnitude of my breakthrough.

I SAY

God's revealing His goodness to me will be the first thing I experience this week. Blessings are about to break out in my life like I've never experienced before. Financial blessings are breaking out. I ask You, Lord, for the suddenlies in my life, in Jesus' name. All kinds of breakthroughs are happening in the Spirit. I am a tither. I have seed in the ground. God never forgets a seed sown and my harvests are hunting me down right now. The harvest is never late. God is an on-time God. God will not disappoint me. I stay expectant. I expect the harvests are near. I do not fear. God's glory is here.
