SCRIPTURES: READ and **HIGHLIGHT** them in your BIBLE

Planted, God's Glory is the Solution to Every Problem & Pursue God's Glory

READ: Psalms 92:12-13 (NKJV). Why do we get so fidgety and always want something new and think our church can't provide it? This is why most of the body of Christ do not flourish. They may experience some blessings and breakthroughs from time to time, but they don't flourish because the Bible clearly says that the righteous flourish and those that be planted in the house of the Lord will continue to flourish. But, wouldn't it be a whole lot better to look out across an audience and think, man, these people are planted? So, don't be so quick to move, don't be so quick to go to the latest thing that is happening. If you stay planted and we all have that attitude, dear Lord, what do you suppose would happen in our church services? We would no longer have church services; we would have encounters with God every time we came together. You would have to lock the doors to keep people from spending the night in here.

If you're experiencing the presence, the power and the goodness of God, it will be the solution to everything you'll ever go through on this earth. It's the answer to every problem and every challenge. That's why we should pursue it.

When you draw near to God, He will draw near to you. He expects you to start drawing near, and He will then draw near to you if you're hungry for Him. If you want more of Him, if you crave His fellowship, then He will not disappoint you. You have access to His presence, His power, and His goodness, but it has to be pursued.

I SAY

I depend on Your presence, Your power and Your goodness every day of my life.

I pursue Your presence, Your power and Your goodness every day.

Never Question the Word of God – it is God's Will

The Bible is the will of God and God will never say anything in His Word that's not His will. Whatever I find in the Word, I never question it because that's the will of God. God's word says, "I Will". That simply means that you have access to the glory of God. He's willing to show us His glory; He's willing to show us His glory in every service. If you just simply do what God is telling you, then the glory will keep appearing to you.

I SAY

Lord, as I do what You are telling me, Your glory keeps appearing to me.

When is God Going to Show us His Glory?

You and I are going to experience the glory of God in our life-time and more than other generations. God has left the best for last. God wants to show us His glory. It's going to happen when the church starts hungering for it, when the church starts praying it in and when the church believes what He says. We are getting closer. Well, what I've seen here this week, praise God, God doesn't need the whole rest of the world; I think you guys could pray it in.

I SAY

I want to be in the presence of God. I want to experience the power of God. I want to experience the goodness of God. I am one of those that prays it in.

Tell Others about His Glory & Mirror Jesus

READ: Numbers 14:21 (NKJV). Our task is to make known that our God is glorious, that glory comes from Him and He is the Source of glory. We should tell people that we come in contact with and can impact about His mighty acts, so that they might want to know our

SPIRIT OF GLORY

God. They should see the presence, the power and the goodness of God working and being part of your life to the point that they want to be you.

We are changed into the very image of Jesus. Spiritually speaking God wants us to get to the place that when you look in the mirror, you see Jesus. You mirror His nature. Jesus perfectly mirrors the Father; He is stamped with God's nature, and so are we.

I SAY

I'm the exact image of Jesus. I am stamped with God's nature.

God's Got Me Covered

We have got the Father of glory. We have got the Son - the Lord of glory / the King of glory. We have got the Holy Spirit - the Spirit of glory. Do you see the glory in the Godhead? Father, Son and Holy Spirit. Does that not tell you something? God wants you to get a hold of His glory through the Father, the Son and the Holy Spirit.

READ: 1 Peter 4:14 (NKJV). Just like this coat is resting on me, the Spirit of glory is resting on me. He is living in you and with you, He stays with you and upon you, and you are carried by Him. The Spirit of glory never comes off you. Part of the Holy Spirit's job is to show you God's glory. God's got me covered. The Holy Spirit is the carrier of God's presence, power, and goodness. He is infected with God's presence, power, and goodness, and if you hang around Him it is going to get on you. You are going to be infected by it, praise God.

I SAY

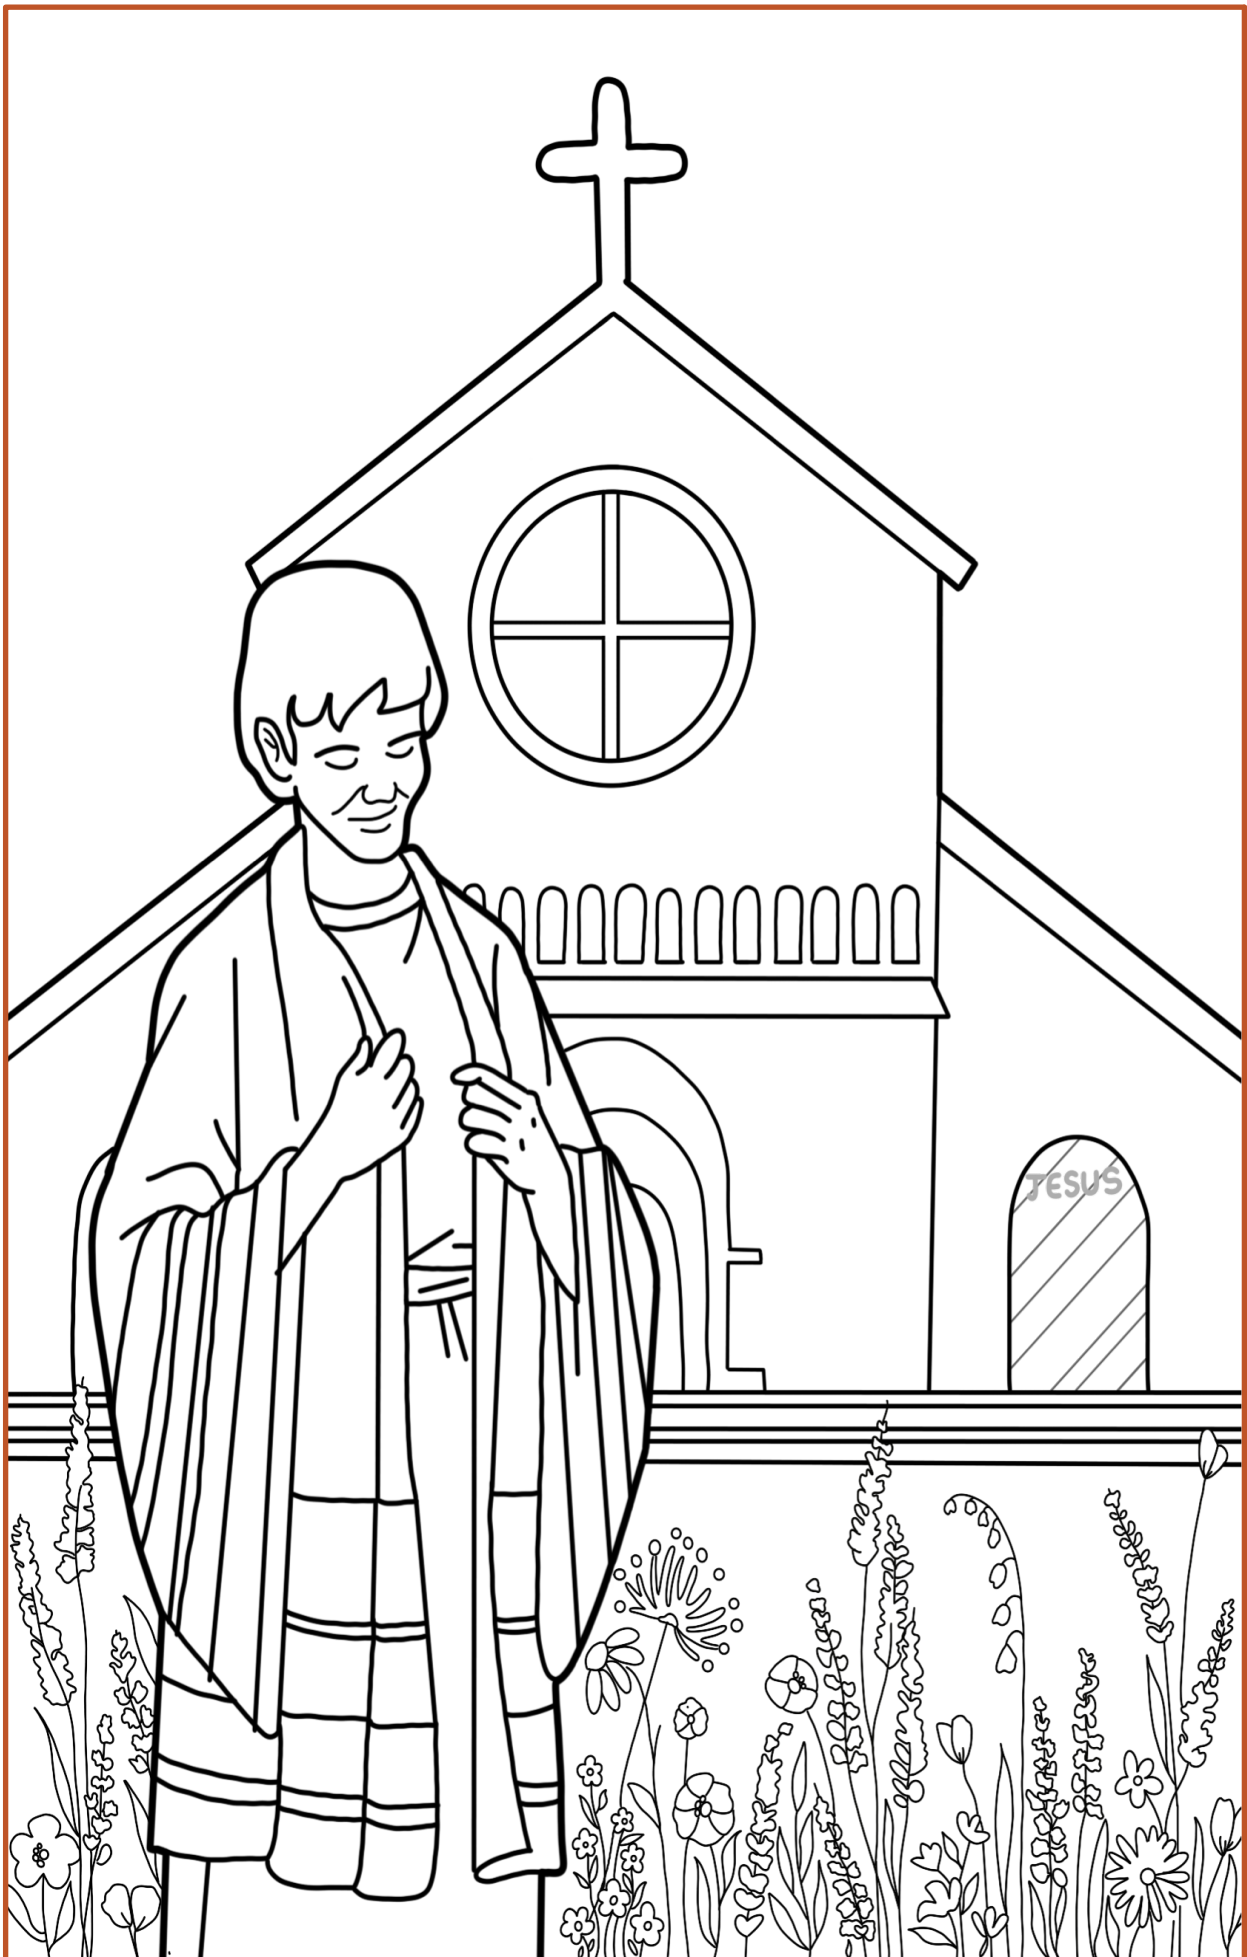

I don't follow fads (what's popular / fashions / trends), I follow the Word. I give You praise Father, for this opportunity to sit at Your feet and hear Your Word. The Holy Spirit reveals God's glory in me and to me and through me. God's got me covered. I become more aware of what glory I have access to. I have the Father of glory, I have the Lord of glory and I have the Spirit of glory. This means that I have access to the manifested presence, power and goodness of God, every day of my life.

The Father's Love for Me

READ: Ephesians 3:20 (NKJV). If we could dream it -He can do it bigger than that. If we can think it - He can do it bigger than that, according to the power that works within us. Did you know there's a power that's working within you? It's the power of the Holy Spirit, but if you read that whole context in **Ephesians 3**, it becomes obvious that that power he's referring to, is your understanding of the Father's love for you. It's your ability to conceive and to believe that He can and He will do it for you, because you're the object of His affection. He will do exceedingly, abundantly above and beyond all you can ask or think. Amen. The **blessing** is the **empowerment to prosper, to succeed, to rise above, to excel** and the Bible says it's on us.

I SAY

I understand Your love for me, Father. I receive it and I believe that You can and You will do exceedingly, abundantly above all I can ask or think! I am highly favoured by God.
